### MARTHA Kemble

Martha has been so inspiring with her dedication and hard work to achieve her goal of finally leading a healthy lifestyle. Like many, Martha was caught up in her busy life of work and didn't realize how unhealthy she had gotten. Reaching her heaviest weight of 320lbs and a size 30 dress, she knew something had to change. A friend had recommended water aerobics at Princeton Club East so she started there. After 2 or 3 months of that and 10lbs lost, she was ready for the next challenge. She signed up for her complimentary fitness consultation with Dan Jackson in February 2015. That's when her life changed. He taught her how to adjust her eating and how to get started with her workout routine. Martha was so excited that she decided to try 3 more sessions with him to get a more developed program. After Dan showed her not only how to do some different exercises, but how to get the most out of the workout, Martha knew this was what she needed to change her lifestyle. She signed up with Dan for 48 more sessions and has fully committed to changing her life for the better. Martha then participated in our Biggest Loser Program 2016 where she lost 26.5lbs and came in 5th place. She now works with Dan 2 times a week, along with participating in 2 of his Biggest Loser Continuation groups. She has made so many great friends since the beginning of the Biggest Loser, that when she is not working with Dan, she works out with a small group of individuals who are pursuing the same healthy lifestyle that she has adapted the rest of the week. Today, Martha is down 142lbs and 16.5 inches off her waist!! She has worked so hard to pursue these fitness goals and continues her progress with this great motivation she has.
