Parent Member Comment:

I just wanted to comment on how much my kids LOVE the Kids Camp. I can guarantee we will be back again next year. The camp keeps them engaged all day, and they have never once complained that they were bored or had nothing to do. As a parent, I love the fact that there's physical activity included in their day, and that they're given choices regarding the activities they can participate in. The kids absolutely love the counselors too, and I know they'll be sad at the end of summer... So again, THANK YOU SO MUCH for giving my kids a fun and exciting summer program. As a working mom, it helps to know that my kids are having fun "playing" during their time away from school.
