Spinning® is challenging, fun, and one of the best ways to improve cardiovascular fitness while burning lots of calories. Because Spinning® is low impact, it is suitable for most people, and our classes can accommodate all ability levels.

The Spinning program incorporates five Energy Training Zones: *Recovery *Endurance *Strength *Interval *Race Day

LES MILLS SPRINT™ is a 30-minute High-Intensity Interval Training (HIIT) work out, using an indoor bike to achieve fast results.

- *New participants please arrive 15 min early for proper bike set up with your instructor.*
- *Cycling classes are fun, low impact and open to all ability levels.*
- *A water bottle and towel are strongly recommended.*
- *Cycling or stiff soled shoes, padded shorts and a heart rate monitor are encouraged but not required.*

Water Exercise Classes provide lower impact on the joints but more resistance for muscle toning and cardio conditioning.

*Water shoes are strongly recommended but not required.

Aqua Boot Camp – This class is a rigorous cross training workout combining bursts of cardiovascular exercises, water aerobics, modified plyometrics and strength training. It is a great way to improve your fitness level.

Aqua Strength & Endurance – This class emphasizes total body conditioning using natural resistance of the water. Participants can vary their own pace to suit their unique goals and needs. We will begin with a 5-minute warm up and stretch followed by 40 minutes of cardio, then 15 minutes of strength training.

Power in Motion – An intensive 50-minute class challenging your fitness to the next level. Taking full advantage of the benefits of water resistance by traveling in the pool in various ways. We will use a variety of resistance equipment, High Intensity Interval Training (HIIT) and spurts of Tabata to make you sweat!

Water Power – This is a high intensity total body conditioning class. This class includes cardiovascular moves that help strengthen the body by using the properties of the water. Buoyant and resistant equipment is utilized to increase strength, endurance and flexibility.

Group Exercise Class Descriptions

ABS AND GLUTES: A challenging class focusing on the abdominal and gluteal muscles.

LES MILLS BODYFLOW: Ideal for anyone and everyone, BODYFLOW™ is the yoga-based class that will improve your mind, your body and your life. During BODYFLOW an inspired soundtrack plays as you bend and stretch through a series of simple yoga moves and embrace elements of Tai Chi and Pilates. Breathing control is a part of all the exercises, and instructors will always provide options for those just getting started. You'll strengthen your entire body and leave the class feeling calm and centered. Happy.

LES MILLS BODY PUMP: A barbell workout for anyone looking to get lean, toned and fit – fast. Using light to moderate weights with lots of repetition, BODYPUMP gives you a total body workout. It will burn up to 540 calories*. Instructors will coach you through the scientifically proven moves and techniques pumping out encouragement, motivation and great music – helping you achieve much more than on your own! You'll leave the class feeling challenged and motivated, ready to come back for more.

BODY SCULPT: A strength training workout employing stability balls, hand weights, body bars, resistance bands and med balls to sculpt, define and tone the upper and lower body. Classes may include short cardio interval drills for additional conditioning.

BOOT CAMP: This class delivers a comprehensive and blanketed approach for the intense and motivated fitness enthusiast! Designed to challenge your entire body with muscle conditioning exercises, athletic and cardio drills that will challenge your muscular endurance and anaerobic capacity.

LES MILLS CXWORX: Exercising muscles around the core, CXWORX™ provides the vital ingredient for a stronger body. A stronger core makes you better at all things you do, from everyday life to your favorite sports - it's the glue that holds everything together. All the moves in CXWORX have options, so it's challenging but achievable for your own level of fitness. During the 30-minute workout trained instructors guide you through correct technique as you work with resistance tubes and weight plates, as well as body weight exercises like crunches, and hovers. You will also get into some hip, butt and lower back exercises.

FIT FOR LIFE: Fit for life is fun, functional and effective. Build strength, increase endurance, improve bone density and balance. This class is designed with an older adult population in mind or for those who would like a less vigorous fitness option.

GENTLE FLOW: A gentle sequence of Yoga based movements to strengthen and stretch your entire body. Increase your flexibility and posture while relaxing your mind without the repetitive flowing up and down movements of a Power Flow class.

LES MILLS GRIT™ CARDIO: is a 30-minute high-intensity interval training (HIIT) workout that improves cardiovascular fitness, increase speed and maximize calorie burn. This workout uses a variety of body weight exercises and provides the challenge and intensity you need to get results fast. LES MILLS GRIT Cardio takes HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit, fast.

LES MILLS GRIT™ PLYO: is a 30-minute high-intensity interval training (HIIT) plyometric-based workout, designed to make you perform like an athlete. This workout uses a bench and combines explosive jumping exercises with agility training to increase explosiveness and to build a lean and athletic body. LES MILLS GRIT Plyo takes cutting edge HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you motivating you to go harder to get fit, fast.

LES MILLS GRIT™ STRENGTH: is a 30-minute high-intensity interval training (HIIT) workout, designed to improve strength and build lean muscle. This workout uses barbell, weight plate and body weight exercises to blast all major muscle groups. LES MILLS GRIT Strength takes cutting edge HIIT and combines it with powerful music and inspirational coaches who will be down on the floor with you, motivating you to go harder to get fit, fast.

LES MILLS SPRINT: A 30-minute High-Intensity Interval Training (HIIT) workout, using an indoor bike to achieve fast results. It's a short, intense style of training where the thrill and motivation comes from pushing your physical and mental limits. A high intensity, low impact workout, that is scientifically proven to return rapid results. The 30 minutes you put into a LES MILLS SPRINT workout drives your body to burn calories for hours. You combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort. The payoff? You smash your fitness goals, fast.

INSANITY: A high-intensity cardio conditioning class that requires no equipment-just your own body weight and energy. No matter what your level, beginner to athletic, this class is for everyone. You will love all the options offered for your personal intensity.

PILATES: Core strength is the foundation of Pilates exercises. This unique system of body conditioning will improve posture, flexibility and balance, while strengthening the entire core.

Group Exercise Policies

Always inform your physician before starting a new exercise program. Inform the instructor and club of any health issues or if you become pregnant.

Workout at your own pace and listen to your body. If something hurts, stop. Know the difference between muscle discomfort and actual pain. Work within your target heart rate. If you are unsure, ask an instructor.

Be considerate of others in class. For the safety of all members be sure to keep a safe distance between you and other members/instructor, do not use equipment/weights unless instructed by an instructor, and follow class format and routine as instructed.

Wear a separate pair of workout shoes for in the club. This keeps your shoes in shape and helps maintain the studio floors.

Bring a water bottle and be sure you keep hydrated throughout the class.

All equipment should be returned to it's proper place at the conclusion of each class.

Equipment may not be removed from the studio door unless instructed by an instructor.

Classes are subject to change at any time. Class participation is tracked and classes that maintain less than an average of 10 people may be dropped.
