In order to schedule a make-up, the participant must contact their trainer to schedule their makeup. Participants cannot change their group permanently once the program has begun.

Princeton Club Biggest Loser Rules and Guidelines:

1. The Initial weigh-in on **October 9th** and the final weigh-in on **December 4th** are mandatory. We **MUST** do an official weigh-in for you to be eligible to win the contest.
2. Participants must weigh in once a week. All participants in a group will weigh in before their group workout and report their weight to their trainers before each scheduled workout. If you are in multiple groups, you don't have to weigh in every class, but you need to report your weight to your trainer at each workout.
3. For the initial and final weigh-ins, participants should wear **normal workout clothes**. (T-shirt, shorts or workout pants and socks.) Shoes will be removed and there can't be anything found in pockets. (**NO JEANS or SWEATSHIRTS-This will be strictly enforced**).
4. In order to be placed in the raffle, you must turn in a weekly food journal. Food journals will be tracked through www.sparkpeople.com or www.myfitnesspal.com. If you do not have access to the internet, let your trainer know before the contest begins.
5. Challenges will be presented to you in class and you must complete it by the following week. If you complete a challenge, you will receive a .25% advantage from your weight for that week.
6. Princeton Club strongly advises all contestants to lose weight safely following healthy eating and exercising habits. There are many resources at the club to assist you with losing weight in a healthy manner. We strongly discourage skipping meals, starving yourself before weigh-ins or excessive exercising that is unsafe. (Your trainer can expound upon these suggestions if you need them to).
7. If you do not lose weight for 2 consecutive weeks, please contact your trainer to review your current workout routine and nutrition plan.

8. The winner will be determined by the top participant who loses the largest percentage of body weight. If there is a tie, the winner will be determined by who lost the largest percentage of body weight without challenge points. If there is still a tie, the winner will be determined by who lost the most actual pounds. To qualify for the top prize, all requirements of the contest must be met with no exceptions.
9. All rules are enforced on all participants with no exceptions. It is the participants' responsibility to read and understand the rules and guidelines.
10. Contest is between the East side club only. East side contestants cannot jump into the West side groups or participate in their program and vice-versa. Members, however, can use the west clubs to work out on their own per their membership agreement.
